

# 1st UAE Drug Discovery & Biotechnology Symposium: From Science to Translation

## About the Event:

Join us in the kick-off meeting of the UAE Drug Discovery & Biotechnology Network (DBN), bringing together scientists, clinicians, and industry leaders to share insights, network, and help establish a vibrant drug discovery community in the region.

## Topics of Interest:

- Early-stage Drug Discovery
- Pre-clinical Drug Development
- Gene Therapies & Biologics
- Venture Capital & Funding Opportunities
- Start-ups & Entrepreneurship
- Regulatory Frameworks in the UAE

**+ Networking Opportunities & Question Clinics!**

## Call for Abstracts

We invite abstracts for oral talks and poster presentations from faculty, industry, clinicians, funding agencies, regulatory bodies, post-docs and graduate students.
